

Make 'protecting your business' more **affordable**

INSURANCE PAYMENTS MADE EASY

Insurance payments made **easy**.

LA Insurance has assisted thousands of businesses with their insurance payments.

With a wealth of experience and knowledge, we are all about simplifying the payment process. Our aim is to offer a personalised and cost-effective solution for managing your insurance payments, giving you peace of mind in protecting your business.

Our service enables you to attain the required insurance coverage by breaking down your annual premium into manageable instalments. This approach helps you maintain control over your cash flow and reinvest it back into your business.

We cater to both commercial and domestic policies and have the capability to consolidate the funding for these policies into a single contract.

How our service can benefit your business

Frees up your cash flow, allowing you to use it elsewhere

Easy quoting and fast approvals

Multiple repayment options (monthly, quarterly, biannually or fortnightly)

Repayment options (Credit/Debit card, direct debit and BPay)

Ability to debit from multiple bank accounts

Combine multiple policies into one simple instalment

Fixed interest rate for the term of the loan, providing cash flow certainty

Interest charged can be tax-deductible

Additional security not required as the insurance policy act as the security

Save your overdraft facility or other credit arrangements

Get in touch with your Insurance Broker to discover how insurance funding could benefit your business.
